

West Virginia University
Post-Doctoral Fellow Position--Molecular Motor Research

The Lane Department of Computer Science and Electrical Engineering at West Virginia University (WVU) anticipates filling an opening at the post-doctoral fellow level, subject to availability of funds. The area of particular interest is integration of molecular motors in bio-MEMS and NEMS devices.

Review of applications will begin January 1, 2007, and continue until the position is filled. Women and minorities are encouraged to apply. Applicants should send a letter describing their qualifications, a curriculum vitae, statement of research objectives, and three reference letters via e-mail (pdf format preferably) to:
